

# GUILD NEWS

Next Meeting  
Tuesday Sept 13, 7:00 PM  
East Kentwood High School

### September Meeting . . .

We will be able to continue using East Kentwood High School for our meetings.

Program: We start off the year with a presentation by a member of the guild well-known to all of us: Dick Wilson. As you might imagine, Dick will be doing a turning demonstration -- but this time, not hollow forms or advanced embellishments. He will give an introduction to spindle turning that will be especially geared to those who spend most of their life in the land of flat boards, doing furniture and other such projects. Dick will show us how to turn a custom tool handle, for chisels, screwdrivers or your own homemade contrivances. He will also address the challenges of turning matching furniture parts, whether that means a set of coffee table legs or replacing parts on Grandma's rocker. Come and join us!

Also at the September meeting come prepared to give a 1-2 minute talk of how your summer went. What did you make or whatever.  
Also bring show and tell.

### From the Presidents' Pen . . .

We don't have one!  
We are looking have an election for the president position. We have not heard of any nominations for the position for next year. Hopefully we can sort this out at the September meeting. Please give careful consideration to what you might bring to the role.

Jim Jakosh got a call from Rob at Kamp Hardwoods in Dutton and he wanted to tell all the members of our guild that they now have their wood room stocked with a variety of hardwood that we can buy at great prices... on the spot. We don't have to order it ahead of time and have them open bunks.

Kamp Hardwood is at 6925 Dutton Industrial Park which runs south off 68th st. in Dutton
