Sherwin-Williams Co.
Finishing Seminar
Mark your Calendars, NOW!

On February 13, 2018, Sherwin-Williams Co. Reps. will be presenting an in-depth seminar on wood dying, staining, and general wood finishing!

Most woodworkers are not aware that Sherwin-Williams Co. is a major supplier to the furniture manufacturing industry for protective wood finishes, dyes, stains, equipment and procedures on how to finish and protect various domestic and exotic wood species that have unique wood grains and color characteristics.

In addition to Sherwin-William representatives being present at the Guild meeting, a number of their associated Vendors will also be there to cover application tools and systems and finishing tips woodworkers can easily use to make their projects look great!

There will be giveaways and ways for Guild members to buy and get discounts at any Sherwin-Williams outlet!

Any Michigan Woodworker, Wood Turner, Wood Carver, Sherwin-Williams employee or customer or any Public School employee, student or parent is invited to attend this seminar.

Meeting Activities on January 9, 2018

'Tool Time'
John Pflug likes to do 'Timber Framing.' To do so, he needs a number of different sized portable power saws. He explained why each was useful, the Pros & Cons of each size & their power source.

Scroll Saws
Dale Smith is the Guild's resident scroll saw expert. He explained the different type of saws, adjustable head angle Vs adjustable table angle, \$150 scroll saws Vs \$600 scroll saws.

50/50 and Wood & Tool Raffles
 Everyone likes to win something special. When the winning Raffle tickets are called, everyone checks their raffle tickets for the 'Winning Number.' We had wood and some great tools from CMT!

Special Thanks to CMT

Thanks to **Kirk Figan, Midwest US & Eastern Canada** for **CMT Tools**, the WM Woodworkers Guild received a 'Care Package' from **CMT** to support the Guild. The 'Care Package' included multiple 10" & 7 1/4" carbide tip saw blades, multiple sets of Forstner Bits and an Angle Meter. All toll, these **CMT** tools represent 100's of \$\$\$ at retail!
Thank You Kirk!!

These **CMT** tools are greatly appreciated! They will be given away as contest prizes or will be raffled off to our members at our monthly meetings during 2018. The \$\$ from the raffled items will help fund the monthly activities of the Guild.
