Seminar

Where and When?

The **WM Woodworkers Guild** and **Woodcraft-GR** invites you and your wood working friends to be our guests at a **FREE**, Titebond Adhesives Training Seminar conducted Mr. Bob Behnke, Technical Service Manager at Titebond Products.

The seminar will be at the East Kentwood High School Wood Shop at 7:00 PM on Tuesday, February 14th.

Mr. Behnke will show how to use Titebond products in several woodworking applications. His in-depth of knowledge of Titebond products is excellent and very informative; we think you and your woodworking friends will truly enjoy attending.

To find the seminar location at East Kentwood High School, go to Woodworkers website at:

www.westmichiganwoodworkers.org, click on "Meetings." Once there, you will find a map to the East Kentwood High School. Use the parking lot behind the West most wing of the High School, (directly across from the Kentwood Ice Arena) and then look for the door that has a Red & White sign that says, **'Woodworkers Meeting Here.'**
