# President's Corner

by Les Derusha

## President's Corner

Ladies and Gentlemen, **IT IS NOW TIME TO STEP FORWARD,**

In the fall of 2023, we had asked for a replacement of the President and Vice-President of the Guild. So far no one has stepped forward.

I got the President's job back in 2017 when at our fall meeting, Ruth Kurth nominated me, the members voted unanimously, and I became president in less than 30 seconds.

You, on the other hand, have had a year to think about this.

**TIME TO STEP FORWARD.** If you are interested, give me a call and we can talk about it. (616) 446-4008.

---

For our March meeting we will be talking about one of the oldest wood finishes, **Shellac**. **Mark Bates**, one of our Guild Members, will give a short presentation about Shellac and we are asking you, if you are interested, to share your experience with Shellac with your fellow Guild Members. All it takes is to stand up and talk about your experience with Shellac, where you bought it, how you prepared for using it, how you applied it, what were the results and would you recommend it to the rest of us.

It could be as simple as; "I tried it, it was easy and I recommend it", OR something a little longer.

Or just bring us a sample of your work and pass it around.
