## President's Corner

### HELP WANTED!

Ladies and Gentlemen,

**My phone has not been ringing off the wall. IT IS NOW TIME TO STEP FORWARD -**

### SOON!

In the fall of 2023 we had asked for a replacement of the **President** and **Vice-President of the Guild**. So far no one has stepped forward. We also need someone to step up and support our Guild Website. Please call me.

I would hope you all have the desire for the Guild to continue in existence. If you haven't noticed I'm not that young anymore and would like to be a simple member again with less **(Not Les)** responsibility.

**TIME TO STEP FORWARD.** If you are interested, or know of someone you think would be willing, give me a call and we can talk about it. (616) 446-4008.

What are we doing for our June Meeting, Something that will **Stick** With You!  
**Glue!**

We are looking for a lot of Audience Participation! Share with your fellow woodworkers What works for you when you glue.

- Any little techniques you have found helpful.
- Any helpful glue Aids you use.
- What are your goto clamps
- Techniques you use to reduce the mess.
- They say a picture is worth a 1000 words, but a real in-person example to show is even better!
- Where do you find the best prices on materials
- **AND** please SAVE your fellow Guild members FROM any techniques you have proven to NOT WORK!
